

ELECTRONICS TECHNICIAN

Description du poste

You are passionate about electronics and you that for every problem, there is a solution?

Performance, innovation, and family mean something to you and inspire you?

We have what you are looking for as we are currently looking for an **Electronics Technician** for our **SPYPOINT** division.

The Techno-X Group and its companies are inspired by the desire to surpass themselves and push the limits. We are revolutionizing the fields of security, technology, customer service, and outdoor activities, thanks to our innovative products and services.

You want to know more? You will:

- Perform tests on the cameras to identify the problem to be solved.
- Repair cameras.
- Retest the product to make sure it works properly.
- Verify that the boxes contain all the required accessories.
- Change camera parts if required.

Requires skills:

- You know a lot about electronics.
- You can read an electronic schematic and you can microweld.
- You describe yourself as a person who can work with small tools and parts.
- You are self-reliant and resourceful.
- You have a background in electronics (an asset).

Why should you choose the Techno-X Group?

- First of all, a work environment where family, innovation, and performance are valued!
- A work-life balance.
- Schedule flexibility for early and late risers.
- No traffic, you can work directly from home.
- A 24/7 free access to online doctors.
- A diversified company with a variety of challenges: you can't get bored.
- A group insurance, because we want to take care of our people.

It is now your turn to tell us about yourself. All you have to do is apply!
