

## PRODUCTION CLERK

Do you stand out thanks to your autonomy and organizational skills?

**Performance, innovation, and family** mean something to you and inspire you?

We have what you are looking for as we are currently looking for a **Production Clerk** for our **SPYPOINT** division (**Victoriaville**).

The Techno-X Group and its companies are inspired by the desire to surpass themselves and push the limits. We are revolutionizing the fields of security, technology, customer service, and outdoor activities, thanks to our innovative products and services.

### You want to know more?

As part of their duties, the candidate will, among other things:

- Participate in the production and quality control of all SPYPOINT products.
- Work at various workstations as required by the department.
- Package products (boxing, labelling, etc.).
- Ensure products are up to date.
- Perform various tests on the cameras (photo test, battery test, etc.).
- Keep an eye out for product anomalies and notify the Quality Department if necessary.

### Required skills:

- High school diploma.
- Beginner to 2 years of experience.
- You are organized, resourceful, self-sufficient, and have a good adaptability.
- Ability to manage stress.
- Ability to easily communicate.

### Why should you choose the Techno-X Group?

- First of all, a work environment where family, innovation, and performance are valued!
- A work-life balance.
- No more endless appointments at the garage, we take care of it!
- Schedule flexibility for early and late risers.

- No traffic, you can work directly from home.
- Free 34/7 access to online doctors.
- A diversified company with a variety of challenges: you can't get bored.
- A group insurance, because we want to take care of our people.

**It is now your turn to tell us about yourself. All you have to do is apply!**
